# *The 1958 Lair*

## *Dedication*

The annual staff would like to dedicate this annual to Mr. Wetzel for all the help he has given us and for all the work he has put into this annual to make it a better annual for the community.

Our debt to you,  
 Is one we cannot pay  
 In any coin of any realm  
 On any reckoning day;

For where is he shall figure  
 The debt, when all is said,  
 To one who makes you dream again  
 When all the dreams are dead?

Or where is the appraiser  
 Who shall the claim compute  
 Of one who makes you sing again  
 When all the songs were mute?

Jessie B. Rittenhouse

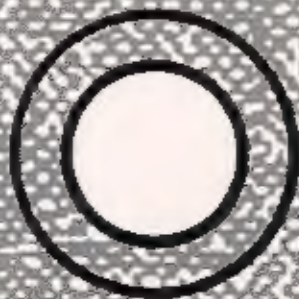

We have worked hard to bring you a bigger and better annual in hopes that you will appreciate the many memories we have shared together this year.

## *Superintendent's Message*

---

TO THE CLASS OF '58

When asked to write a message for the 1958 edition of the "Lair" it occurred to me that this will be my parting message.

Three years is a relatively short time in the history of mankind, but not in a lifetime. Many events were planned and executed. There was understanding and unfortunately misunderstanding. There were unfounded criticisms and constructive criticisms. The moments to be retained should be those that were pleasant.

In a small school or community we find ourselves very close to everyone's problems whether of a personal or impersonal nature. A spirit of friendliness and interest in one another creates lasting memories. Unpleasant memories are formed when this interest is designed to degrade someone's character. We have a duty to our fellow man, whether in school or the community, to practice good citizenship. Good citizenship is a seven day per week challenge for all of us.

We owe it to the Class of 1958 to work together through trials and times of happiness to fulfill our purposes in life.

Sincerely,

D. M. Hartwick  
Superintendent

Some guest speakers for the year were, Miss Myrtle Flakerud, I. F. Y. E. delegate to Norway; Mr. George Johnson, Juvenile Officer, and Mr. Ted Birnam, State Patrolman of Helena. We ordered monthly pamphlets, "Milestones to Marriage," these being received by all the seniors. In March, we sponsored a dinner in honor of the Athletic Department and Faculty Members.

## *Senior Class History*

In the fall of '54, Kremlin High welcomed four new freshmen into class. They were Fred Bullman, Lois Melby, Diana Johnson, and Beverly Trulson. During this year Diana, Lois, and Bev were elected cheerleaders and Fred joined the Foxes' Basketball Squad. We took first place in the District 11 Tournament. We then went on to the Divisional Tournament in Havre and took third place. We held our High School Play, "Aaron Slick from Punkin Crick" and we all participated in that. Next came our Sophomore year which went much slower than the previous year. We three girls were again elected cheerleaders and Fred Bullman played basketball and joined the track team. We also put on another play, "The Curse of an Aching Heart," which we all took part in. In the fall of '56 we began our Junior year. We were sorry to lose one of our classmates, Lois Melby, but we also gained Deanna Beaman who joined us in the beginning of the year. Fred again joined the "A" Squad in Basketball and Football. Diana, Deanna, and Bev were Football Cheerleaders and we held another play, "Hillbilly Weddin'." Toward the end of the year, we held our Spring Junior Prom. At the start of our Senior year, Jerry Murdoff joined the class. The Juniors and Seniors sponsored the class play this year which was a Mystery-Comedy named, "Stranger in the Night." On April 26, we were honored by a prom sponsored by the Juniors. The four of us left May 9 for our Sneak Trip and toured the Southwest part of Montana. We journeyed through Helena, Butte, and some other larger cities. A couple more interesting points we viewed were Frontier Town, the State Capitol, the Mental Hospital at Warm Springs, and the State Penitentiary at Deer Lodge. We also went to Glacier Park and Flathead Lake. We took Mr. and Mrs. Charles Schend with us as our chaperones. We left May 9 at 6:00 a.m. and returned the 11th after a very enjoyable trip. Then followed our Baccalaureate and Commencement Services that wound up our years at good ole K. H. S. Now we will go out on our own in this great world of ours to seek our fortunes.

## *Class Will*

I, Diana Lee Burfield, hereby bequeath my position as Editor of the "Kremlines" to Norman Gomke, also my success in marriage to Jackie Bullman and Earl Donovan.

I, Deanna Lee Beaman, bequeath my ability to get excused from Science Class at 10:15 to get a blast of H<sub>2</sub>O to Marvin Melby. Also all of my extra pounds to my sister Linda, all my debts to Norman Gomke, and my ability to get into the Navy to Shari McLain, and my ballet dancing ability to Gail Pollington.

I, Beverly Ann Trulson, wish to bequeath to the coming Juniors my well-known ability to talk back in self-defense and to make any action I may see fit to commit, seem perfectly justifiable and proper, in fact the only thing to do, also any old mints, to Jackie Bullman, Shari McLain, and Roxie Wright, and my bit of tap dancing ability to Fred Davidson.

I, Gerald Murdoff, bequeath my bad luck to Glen Reese, my good luck in playing poker to Earl Donovan, to Shari McLain all the money she owes me, to Karen Nelson my ability to get along with people, to Lynden McLain my strength, and last of all my brother to Meg Rolston.

I, Fred Bullman, bequeath Glen Reese my good looks, Marvin Melby all my girlfriends, Don Gomke my position on the basketball team, Jackie Bullman my car, Mel and Norman Gomke all my good grades, and my sister to Earl Donovan.

## *Class Prophecy*

It is ten years later as we gaze into our crystal ball, we find:

Beverly Trulson sunning herself beside a beautiful horse shaped swimming pool in the heart of the San Fernando Valley in California. She is now known as Mrs. Hugh O'Brian for she is married to television's famous Wyatt Earp. They own and operate a large horse and cattle empire. In her spare time Bev travels to different parts of the world with a theatrical group as a professional tap dancer.

Next we see Diana Burfield now living on a beautiful farm about ten miles out of Gildford. Diana's busy raising chickens, and her eight lovely children. She and her husband are very active in welfare work. They take in poor and homeless children, (sometimes ten at a time) and teach them how to care for themselves. Diana says they really enjoy this work and plan to keep it up until they retire.

Our next classmate, Deanna Beaman, we find working at Deer Lodge. She has become the new prison warden. In the short time she has been there she has had a new recreation room built, more freedom for the prisoners, and last but not least friends. The prisoners' families can visit them. Being that the prisoners considered her a very just warden, they have repaid her by buying her a white Jaguar as a token of their appreciation. Her dream is fulfilled at last.

We now find Jerry Murdoff chasing some crooks down a dark alley. He is a full fledged Private Detective and he lives in a lovely mansion in Florida. He is very famous in those parts as he is the best Private Detective there. Every time he catches some crooks, he takes them to Deer Lodge, Montana and turns them over to Deanna Beaman.

Fred Bullman, our last Senior, we find is still in the Navy. He is now a Rear-Admiral and very well satisfied. They like him so well that they bought him a twenty-room house. He is married to a girl he met in Hawaii and has ten children. Fred doesn't think he will retire for some time yet.
